

Health And Safety Policy

Of

Fred Brookes Cultural Research and Strategy

Last reviewed March 2009

1 INTRODUCTION

Fred Brookes is committed to maintaining safe and healthy working conditions and to preventing accidents and instances of work-related ill health through the control of health and safety risks arising from work activities, providing and maintaining safe plant and equipment and ensuring the safe handling and use of any substances. Fred Brookes will consult with partners and associates on matters affecting their health and safety, provide information, supervision and instruction for employees and ensure all are competent to do their tasks and given adequate training. Fred Brookes will also assess the risks to the health and safety of anyone who may be affected by work activities to ensure that he complies with the law as set out in the Health and Safety at Work etc Act 1974. This policy will be reviewed and revised annually.

2 PARTNERS AND ASSOCIATES' DUTIES

Partners and associates have a legal responsibility to take care of the health and safety of themselves and others and to co-operate with supervisors and managers on health and safety issues. Partners and associates should not interfere with anything provided to safeguard their health and safety and should report all health and safety concerns to the appropriate person as set out in this policy.
